Comenius In-Service course

Reference Number : TR-2011-027-001

Project Based School Management and Effective School Indicators

Objectives

- To share innovative methods and materials for school management
- To highlight and disseminate examples of best practices in school management across Europe
- To enable participants to act as trainers and multipliers, able to pass over the information and skills acquired within this training course
- To discuss the purpose and applicability of certain management methods in the field of school management

Topics

- Project based school management approach
- Project cycle management – steps of a project
- How to use project management tools in school management
- School results in terms of outputs and outcomes (how to improve them?)
- Indicators of school effectiveness
- Methods of quality assurance in a school
- Management theories and school management styles
- Human resources, leadership, motivation and climate at a school

Methodology

During the course participants will work **individually** and **in groups**, having a lot of training activities based on the principle of **learning by doing**. They will discuss **case studies** based on real situations of schools from several European countries. **Study visits** and meetings will help participants to get in touch with **managers from institutions in the city/region** where the training is taking place. The last day will give an open floor to the participants to present and run **training sessions** they have learned so far in a safe environment and to get **feedback** on their approach.

Target Groups

- Teacher trainers
- Careers officers / educational counsellors / inspectors
- Headteachers/principals/managers of schools/organisations offering adult education
- Other (Paid or voluntary) management staff in the institution/organisation
- Non-teaching administrative staff

How to apply for the course

- 1-Send us filled out **Pre-registration form** (see attachment) stating that you would like to participate in the course.
2. We will send you via e-mail the message confirming your pre-registration. Print and keep it because you will need to enclose it to your application for a Comenius grant to the National Agency.
3. Contact your National Agency (find the address of your National Agency http://ec.europa.eu/education/programmes/llp/national_en.html) and ask about action “Comenius in service training for adult education staff” and all required documents.
4. Fill in the **Comenius course application form** (you will find it on the website of your National Agency) and enclose confirmation of pre-registration.
5. If you successfully get a Comenius grant, you should contact us as soon as possible so as to confirm your participation in course. After that, we will formally register you as a participant of the course and send you all necessary logistic information.
